Payne Avenue Vision Proper

Beyond-the-Horizon Vision - 5 years

We are a multiplying group of disciples growing inward and outward in Christ. We will allow the gospel to penetrate our hearts and the spheres of influence *in which God has placed us*. We will continually offer opportunities to understand, apply and maintain spiritual and emotional health - personally, in ministry and corporately. All who experience this local body will have the opportunity for nurturing and equipping - so each person can experience the love of Christ, be continually set free from sin and guilt, and be changed into His likeness while intentionally living out Jesus' purpose in the power of his Spirit.

Background Vision – 3 years

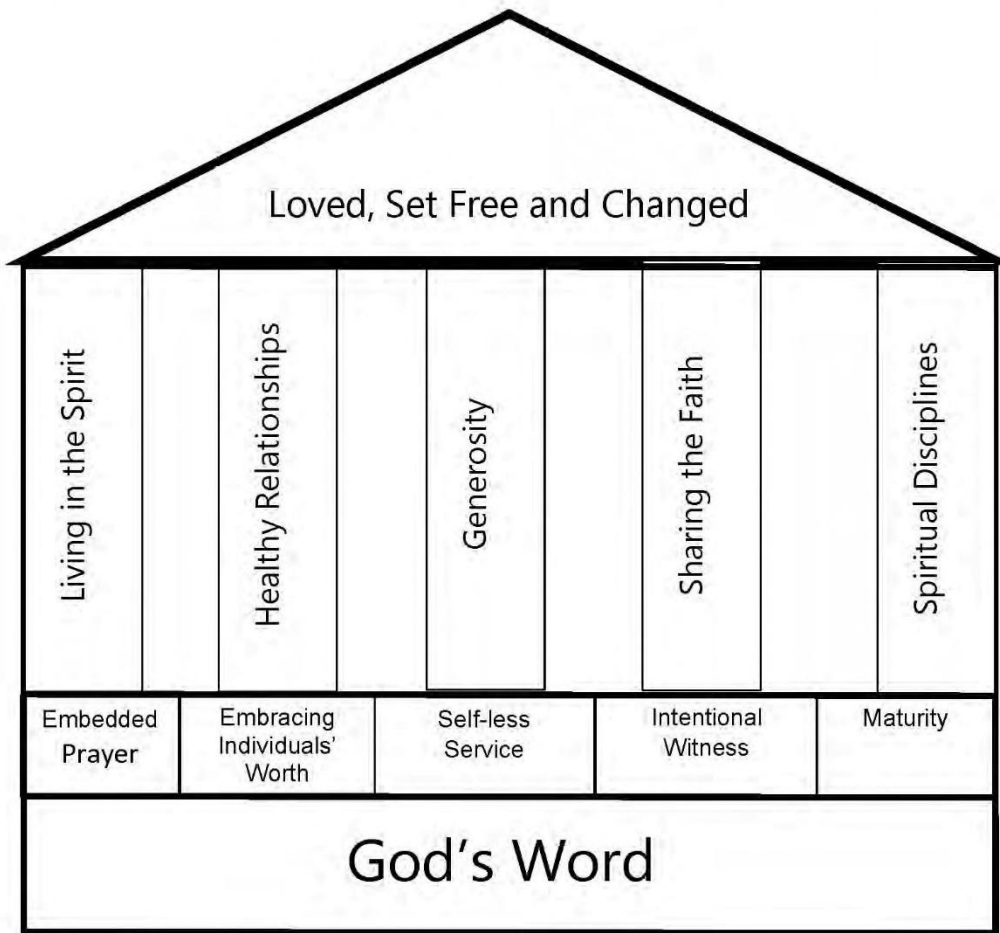

<u>Multipling Base</u>	<u>Nurturing & Growing</u>	<u>Equipping & Empowering</u>	<u>Active Outreach</u>
We will ask God in faith to multiply the number of our committed core and integrate new recruits <i>into our Vision & philosophy of ministry</i> . This increased core will provide additional leadership and volunteers to do the ministry of the church.	In all aspects of our church life & every point of a person's faith-walk, we will help each person learn who Jesus is, how He lived and how he ministered - to the end that God will conform us into His likeness & we will live out our identity in Christ in our everyday lives & ministry.	We will offer opportunities and training for each believer in the church to identify and develop their spiritual gift(s) and to understand & grow in daily Spirit-led living and ministering in the power of the Holy Spirit, being encouraged & released in ministry.	We will pursue missional-minded lives for Christ's Name and provide opportunities for each believer in the church to be inspired, trained, and motivated to share the Gospel message with their unique spheres of influence as individuals and as part of the church body on the East Side of St. Paul. We desire to see an increasing conversion growth each year.

Midground Vision – 1 Year

In the anticipation of God "adding to" our number those being saved, of adding new recruits to our missional core of servants, and with our existing faithful workers, **in the next 12 months we will be a unified body with a like-minded vision for ministry through ongoing Vision Pathway training.**

Foreground Vision - 90 Day Goals:

1. Develop a plan for on-boarding everyone into the Vision Pathway	2. Develop a strategy for Recruiting	3. Develop a plan to Evaluate all our current ministries in light of our Vision
